EDUCATION

MCA ITER S'O'A University Bhubaneswar 9.1 CGPA (till 2 nd semester)	2023-Continue
BCA ITER S'O'A University Bhubaneswar 9.38 CGPA	2020-2023

PROJECTS

- Tour & Travel Management System** **01/04/2023 - 20/06/2023**
 - **Objective:** Develop an intuitive platform for managing travel bookings & tours with effective administrative features.
 - **Technologies Used:** Frontend developed with HTML, CSS, and JavaScript for a responsive experience; back-end implemented with PHP and MySQL, and AJAX for seamless data handling.
 - **Key Features:** Includes user registration, tour listings, a booking system, an admin dashboard, and search/filter options, developed in Visual Studio Code and tested on the latest version of Chrome.
- Healthcare Management System** **01/07/2024 - Continue**
 - **Objective:** Create a system for managing patient information, appointments, and medical records with features for users and administrators.
 - **Technologies Used:** Frontend with HTML, CSS, and JavaScript; backend with PHP, MySQL, and AJAX.
 - **Key Features:** Patient registration, appointment scheduling, medical records management, and an admin dashboard, developed and tested in Visual Studio Code and Chrome.
- Netflix Clone (Front-end only)** **01/07/2024 - Continue**
 - **Objective:** Design a Netflix-like interface to simulate a streaming platform, using HTML, CSS, and JavaScript for an interactive, visually appealing experience.
 - **Features:** Home page with featured content, and responsive design for compatibility across devices.
- Portfolio (Front-end Only)** **24/07/2024 - 30/07/2024**
 - **Objective:** Create a personal portfolio to professionally showcase projects, skills, and contact details.
 - **Technologies Used:** Developed with HTML, CSS, and JavaScript for a polished, responsive, and user-friendly interface. Features include an introduction, project gallery, and contact form.

TECHNICAL SKILLS

Languages: C , C++, Python, HTML, CSS, JavaScript, PHP

Libraries: Pandas, Numpy, Scikit Learn

Web Dev Tools: Visual Studio Code, Sublime, Git, Github

Frameworks And Database: Bootstrap, Relational Database(mysql)

Area of Interest: Front-end Design, Web Development, Data Analysis & Visualization

Soft Skills: Self-learning, Presentation , Adaptability , Customization , Event Management

INTERNSHIP

- Web Development Intern at Prodigy Info-tech
- Data Analyst and Visualization in Accenture by Forage
- Data Visualization: Empowering Business with Effective Insights in TATA by Forage

CERTIFICATION COURSES

- POWER BI from “Simplilearn”
- About ChatGPT Prompt from “tutorialspoint”
- CSS course from “Codekaro”
- Python Basic course from “UniAthena”
- Web Development for Beginners from “Simplilearn”

SEMINARS , WEBINARS & WORKSHOPS

- Webinar of IBM Indulge - Tech talk on AI trends in 2024 with Sujay Nandi
- Webinar with Certificate of Full Stack Web Development program from “edureka!”
- Workshop with Certificate of Power BI program from “Office Master”
